Rates on above lots are based on loading on open trailer. If overseas shipping and loading into container additional charges will apply.

Lot 1 through Lot 12 Rate to prep between \$75 and \$125, pending who and how shipped. Rates are based on palletizing and banding and shrink wrap for shipping.

Lot 13 Horz saw Rate to place on pallet and prep to ship \$400

Lot 17 Bridgeport Mill \$300

Lot 18 Lathe \$300

Lots 14, 15, 16, 20, \$100 each based on palletize and shrinkwrap.

Lots 21, 22 \$150 each based on individual wrap each tool to prevent damage in shipping

Lot 96 Kaser Air Compressor \$400

Lot 97 IR Air Compressor \$350

Abraham almost every other lot is \$200 or less pending on if it needs to be palletized for shipping via XPO, YRC, FEDEX, If someone is buying an Okuma and sending in a common carrier we won't charge the same price as shipping YRC. It is a little difficult to quote the smaller items till we know where or how it will be shipped.

Also, we can make arrangements for shipping, or prepping for UPS package shipment.
